## Mediterranean breeze

DESIGN  
CMP Design, 2020

EN — The idea behind Panarea is rooted in the Mediterranean coastline and brings to mind the colours and the refreshing summer breeze of a dinner on a terrace overlooking the sea. The wide and curved backrest is woven in polypropylene cord which creates an original geometrical pattern and wraps around the tubular steel frame as far as the armrests. The lounge armchair comes with a wide seat and a high backrest.

IT — Panarea nasce da un'idea di paesaggio costiero mediterraneo, che riporta alla mente i colori e la brezza rinfrescante di una cena all'aria aperta in una terrazza affacciata sul mare e la luce conciliante e ristoratrice della stagione estiva. Lo schienale ampio e accogliente è intrecciato in corda di polipropilene che, nella sua originale geometria, crea una raffinata greca e avvolge il tubo del telaio in acciaio, coprendo anche i braccioli. La poltrona lounge è dotata di una seduta molto generosa e di uno schienale alto.

# Lamorisse

## Up to the sky!

DESIGN  
CMP Design, 2022

EN — Lamorisse is an armchair designed for the outdoors: for a waterfront veranda, shaded outdoor areas, for a poolside table, and even on a ship deck. Its main feature is the contrast between the sober shape of the supporting frame and the use of a lavish, enveloping cushion. All the elements of Lamorisse are distinct, independent and detachable, therefore easily separable during disposal.

IT — Lamorisse è una poltrona pensata per stare all'aria aperta: in una veranda lungomare, in dehor ombreggiati, attorno ad una tavola a bordo piscina e persino sul ponte di una nave. La sua caratteristica principale è il contrasto tra la struttura portante, un telaio dalla forma sobria, ed il cuscino ricco e accogliente. Tutti gli elementi di Lamorisse sono distinti, indipendenti e svincolati, perciò facilmente separabili in fase di dismissione.

# Reva Cocoon

## Rêve et évasion

DESIGN  
Patrick Jouin, 2022

EN — Born from the desire to create a flexible outdoor piece of furniture, Reva Cocoon is highly adaptable and configurable in a variety of ways to ensure comfort and personalisation, resulting in a new concept of elegance.

Reva Cocoon is a system of lounge seats: sofas made up of linear and corner elements and chaise longues, with backrests in two different heights, woven with polypropylene cord. The high backrests of Reva Cocoon are defined by a double curvature embracing the perimeter frame in extruded aluminium.

IT — Nato dalla volontà di realizzare un arredo outdoor flessibile, Reva Cocoon si adatta e si compone in diversi modi per garantire comfort e personalizzazione, proponendo un nuovo concetto di eleganza. Reva Cocoon è un sistema di sedute lounge: divani composti da elementi lineari, ad angolo e chaise longue, con importanti schienali in due diverse altezze, ricoperti da un intreccio realizzato con una corda in polipropilene. Gli alti schienali di Reva Cocoon sono definiti da una doppia curvatura e abbracciano puntualmente la cornice perimetrale in estruso di alluminio.

# Arki-Sofa

## A perfect balance

DESIGN  
Pedrali R&D, 2022

EN — Arki-Sofa is an outdoor lounge seating system that encapsulates the comfort and elegance of an indoor sofa. Its geometrically shaped and generously thick cushions rest on a light structure supported by elastic belts. The seat is raised off the ground by stainless steel feet, while the backrests and armrests are characterised by distinctive teak detailing. Through the presence of linear modules and chaise longues, with Arki-Sofa multiple compositions can be created.

IT — Arki-Sofa è un sistema di sedute lounge per outdoor che racchiude il comfort e l'eleganza di un divano da interno. I cuscini dalle forme geometriche e dai generosi spessori appoggiano su una leggera struttura supportata da cinghie elastiche. La seduta resta sospesa da terra grazie a piedini in acciaio inox, mentre schienali e braccioli sono caratterizzati da un dettaglio distintivo in teak. Grazie alla presenza di moduli lineari e chaise longue, Arki-Sofa permette di creare molteplici composizioni.

# Remind

## Between mind & heart

DESIGN  
Eugeni Quitllet, 2018

EN — While evoking the soft sinuous curves of wooden chairs from the late nineteenth century, Remind's organic silhouette recalls something never seen before, a universal shape able to fit into any space and style of decor. The result is an innovative polypropylene seating, in which each element is conceived to ensure total comfort and cosiness. Remind recycled grey version is one of the first products made from recycled polypropylene: 50% from post-consumer plastic waste and 50% industrial plastic waste.

IT — Remind riprende la memoria delle curve morbide e sinuose delle sedie in legno della seconda metà del XIX Secolo. La sua essenza si esprime attraverso una silhouette dalle forme organiche capace di "ricordare qualcosa mai visto prima", una forma universale in grado di adattarsi a qualsiasi spazio e stile. Una seduta innovativa in polipropilene in cui ogni elemento è pensato per conferire comfort e avvolgenza. La versione Remind recycled grey rappresenta uno dei primi prodotti realizzati in polipropilene riciclato: 50% da scarto di materiale plastico post-consumo e 50% da scarto di materiale plastico industriale.

# Soul

Pure creativity

DESIGN  
Eugeni Quitllet, 2018

EN — The concept of Soul stems from the idea of creating a chair using a blend of age-old methods and cutting-edge techniques. Its ash structure has a minimalistic, flowing silhouette, characterized by a harmonious interplay of curves and lines. The outdoor version made of aluminium, with a seat in teak slats, ensures strength and lightness.

IT — La poltrona Soul nasce dal desiderio di creare una seduta ricorrendo a metodi tradizionali e sfruttando al tempo stesso la tecnologia. Linee sinuose caratterizzano una struttura in frassino resa dinamica e di carattere grazie al gioco armonico di curvature e dolci inclinazioni. La versione outdoor realizzata in alluminio, con sedile con doghe in teak sagomate, garantisce resistenza e leggerezza.

## Elegance and memory

DESIGN  
Eugeni Quislet, 2022

**EN** – Souvenir reinterprets the classic chairs of the Jardin des Tuileries or the Jardin du Luxembourg in Paris. Souvenir echoes their iconic shape, reinterpreting them through a new material. The result is a monoblock made of polypropylene designed specifically for outdoor use. Very light yet resistant, it stands out for its harmonious shape, integrating all its constituent elements in an organic and natural way.

Souvenir ne riprende la forma iconica, reinterpretandola attraverso un nuovo materiale. Il risultato è una seduta monoblocco in polipropilene pensata per l'utilizzo outdoor. # Tribeca

Fasten your seat, belt!

DESIGN  
CMP Design, 2018

IT — Tribeca takes us back in time with a modern reinterpretation of classic Sixties patio chairs made from steel and woven cord. A true icon, revisited with new materials: a solid tubular frame, combined with the elasticity of a profile in vertically-woven plastic material.

IT — Tribeca nasce dagli echi confortanti della memoria, una reinterpretazione in chiave moderna delle classiche sedute da terrazza anni Sessanta realizzate in acciaio con intreccio. Un'icona rivista attraverso nuovi materiali: un solido telaio tubolare unito all'elasticità di un profilo in materiale plastico ordito verticalmente.

Pensato per essere collocato sia in ambienti indoor sia outdoor, Tetris è resistente agli urti e agli agenti atmosferici ed è di facile manutenzione. Può essere fornito di un piano di lavoro e di un servizio in acciaio inox satinato. È disponibile anche una versione luminosa che, grazie al colore neutro del polietilene, rende questo bancone un elemento scenografico.
